Linda Fulfer, resident of Hickory Creek

Nominated by Chris Gordon, Councilmember of Town of Hickory Creek

Tree City member.

As a representative of the Town of Hickory Creek and the Mayor and Council, we would like to nominate Linda Fulfer for the Bronze Leaf Award. Mrs. Fulfer is a resident of Hickory Creek and through her work with the Parks and Recreation Board, Tree City USA, and Keep Texas Beautiful (Keep Hickory Creek Beautiful chapter), she manages to protect our trees, promote more tree planting, nature education, and environmental clean-up. Through her efforts, Hickory Creek has once again received the growth award from Tree City USA and is again a Tree City member.
